Inverurie Music Award Scheme Guidelines for Applicants

Introduction

The Inverurie Music Award Scheme aims to support young musicians to develop their musical skills and to benefit from participation in musical activities. Awards of up to £200 are available. Applications for these awards are invited from pupils from Alford, Inverurie, Kemnay and Meldrum Academies who participate in musical activities and who could benefit from this funding. Applications should be made by completing the application form and submitting it by email to inveruriemusic@gmail.com before the closing date.

What kinds of requests for funding will generally be supported?

A range of musical activities and related expenses will be considered for funding.

The following list gives examples of what may be supported but does not cover all possibilities:

- 1) Music lessons or workshops
- 2) Travel/accommodation related to music lessons, workshops or music competitions
- 3) Books, printed music & materials for the study of music.
- 4) The purchase or repair of instruments and/or accessories for instruments.
- 5) Software to facilitate musical composition.
- 6) Equipment to record music.

What will generally not be supported?

- 1) Requests to attend concerts or performances as a member of the audience
- 2) Funding for pupils with no previous musical experience
- 3) Activities in which music does not feature prominently

Completing the application form

Application forms can be downloaded from www.inveruriemusic.org or obtained from the Music Department at your school. All parts of the application form must be completed fully. Please provide as much information as you can about your reasons for applying and for the amount of award requested. Requests for funding must be for a specific purpose. For example, if you request funding to repair an instrument, provide details of the repair required and a quote you have obtained for the repair to be carried out. You will need a supporting statement from the Head of Music at your school (or an appropriate other staff member) for your application. If you are under the age of 18 years, you will also need to obtain the agreement of your parent/carer.

Award decisions

You will be told whether or not you have been successful within 2 months of the closing date for applications. Decisions and the reasons for them will be provided in writing and are final. Decisions will not be altered once made – even if additional information is provided – so make sure you give all the information you can when filling out the form.
